PARRAMATTA STADIUM - FUNCTION AND CONFERENCE FACILITIES

Parramatta Stadium is one of NSW's premier multi-purpose arenas regularly hosting a variety of sporting, entertainment, corporate, cultural and community events.

Situated just a short drive from Sydney's CBD and in the geographic epicentre of the city, the 20,857 seat venue plays host to a variety of sporting events on a regular basis, and has first class function and conference facilities for hire with unique views over the playing arena.

We can manage and deliver an event that will exceed your expectations in consultation with our network of event contacts in entertainment, theming, equipment hire, staging, lighting, and sound.

Our on-site catering team from The Gema Group is one of Sydney's premium corporate event and function catering companies and will work with you to provide creative and unique menus to ensure the success of your event.

The team at Parramatta Stadium has been delivering events for over 20 years from small cocktail parties to networking events and corporate dinners.

The Stadium grounds are also regularly used for the filming of movies, TV programmes, documentaries and commercials as well as photo shoots for commercial, corporate, charity and community projects.

The venue has on-site parking for 250 vehicles and is within walking distance of public transport.
